Kubu Indah Dive & Spa Resort – Bali's Hidden Dive Paradise

Where tranquility, adventure, and world class diving come together

Escape to the untouched beauty of Bali's northeast coast and discover Kubu Indah Dive & Spa Resort, a boutique beachfront retreat designed for travellers seeking both relaxation and unforgettable underwater experiences. Set between the sparkling Bali Sea and the dramatic silhouette of Mount Agung, the resort offers a peaceful sanctuary far from the crowds — the perfect place to unwind, dive, and reconnect with nature.

Kubu Indah blends modern comfort with authentic Balinese charm. Elegant bungalows and private pool villas are scattered throughout lush tropical gardens, offering space, privacy, and soothing ocean breezes. Guests can spend their days relaxing by the oceanfront infinity pool, indulging in a rejuvenating massage at the open air Balinese spa, or enjoying fresh local and international cuisine at the resort's restaurant overlooking the sea.

For divers, Kubu Indah is perfectly positioned at the heart of Bali's most iconic underwater region, offering effortless access to the worldclass dive sites of Kubu, Tulamben, and Amed. The resort's own house reef provides a gentle entry into vibrant coral gardens alive with macro critters, reef fish, and the rich biodiversity of the Coral Triangle. Just minutes away lies the legendary USAT Liberty Wreck, one of the world's most famous shore dives, along with dramatic dropoffs, volcanic sand slopes, and colourful reef systems that make Tulamben and Amed favourites among underwater photographers.

For those seeking even more adventure, the resort also arranges full day trips to Nusa Penida, where divers can encounter graceful manta rays at Manta Point and, during the right season, the elusive mola mola in the deep, cool waters around Crystal Bay and the surrounding reefs. With warm waters, diverse marine life, and easy access to Bali's signature dive sites, Kubu Indah offers an exceptional and varied diving experience for every level of diver.

More than just a dive resort, Kubu Indah is a place to slow down, breathe deeply, and enjoy Bali at its most peaceful. With warm hospitality, beautiful surroundings, and exceptional diving right on the doorstep, it offers the perfect blend of comfort, serenity, and adventure — an ideal choice for dive holidays, romantic escapes, small groups, and travellers seeking a truly relaxing Bali getaway.
